I don't have a problem with that.

I am suggesting we add a press release on September 4th be added to help publicize the information on our website prior to FRN publication.

Thanks Kathy. Our public notice vehicles include the FRN, R4 website, newspaper legal ads and press releases. Once the FRN is signed, we'll post the unpublished version on our website. I don't expect we'll know the public hearing dates until 1-2 business days before the FRN is published, so if we want the public hearing dates included in our newspaper legal ads, the newspaper legal ads won't be posted until about the time the FRN is noticed. Below is what I propose regarding our public notice milestones, and please provide your feedback:

- Sep 2: target for FRN signature.
- Sep 4: target for posting unpublished signed FRN on R4 website
- ~Sep 30: publication of FRN
publication of newspaper legal ads

Sorry for late reply. I just want to be sure I understand #8.

Are we sending Newspaper notices out only when we know date of publication in FRN? I thought there was concern about also making the public aware of availability of the package. I agree we should publicize as much as possible. Thus, I suggest we do both:

- 1) A Press release (a small paragraph similar to our desk statement), saying we received package, will be published in FRN seeking comment, and announcing dates of public hearings, but the mean time information can be viewed on our website a: () . This would not cost us anything, it would be like the press release put out and picked up when Mary signed the MOA with FL.
- 2) We send out formal notice to the newspapers (the one we pay for) once we have FRN number etc.

- Kathy

When: Tuesday, August 25, 2020 12:30 PM-1:30 PM (UTC-05:00) Eastern Time (US & Canada).

Where: Teams Meeting

This conflicts with our OW meeting today so I'm moving the daily check-in to 12:30 as everyone should have this blocked off for the FDEP meeting which is canceled. (and this will open up at least a short lunch for everyone)
